## LED BULB HOLDERS

Our LED bulb holders are a great way of adding some finishing touches to your project. We have a range of different coloured holders from gold, silver, brass to more decorative finishes. The holders support a E27 screw connection with your bulbs.

Change your current bulb lamp holder to one of these more modern hanging bulb holders to give your room a refresh. We have new colours with black holders and many more.

### Why choose Ecobrite?

We are the UK's leading lighting company, innovating with new products and creating truly unique and stylish lighting products for your home or project. With years of experience, we understand what it means to be a customer and the things needed to help you along the way in choosing the right light.

From our friendly customer service and expert advice to our world class products created with only the best materials. That is why we have a dedicated team to ensure that all our customers are satisfied, and their needs are taken care of.

Our aim is to help you find the perfect lighting product, whether it's for your new home, a refurbishment, commercial project or even just changing a bulb, we are ready to help. Visit one of our dedicated showrooms, with a display of all our new extensive range of products on display, our staff will help you with the process.
